Underground Parking and Road Closures for Wesbrook Repaving Project

Last Updated: October 28, 2020

On-street parking will be temporarily suspended on **Ross Drive, Gray Ave and Birney Road from October 28 to October 30, 2020.**

“No Parking” Signage will be installed along Ross Drive, Gray Ave, and Birney Road. Failure to obey on street parking restrictions will result in a parking violation.

Special On Street Parking Arrangement

Outside of No Parking Zone along Ross Drive, Gray Ave and Birney Road. Wesbrook Area Parking enforcement will be limited to **essential services enforcement** (accessible zones, car-share zones, no-parking zones, fire lanes, bus stops, loading zones).

Between October 28 to October 30, residents that are affected by the paving project are authorized to park their vehicles in [Wesbrook Permit Parking Zone](#) and [2 hours zone](#) (See Wesbrook Parking Map).

Between October 28 to October 30, in order to address on street parking capacity, the UNA has made an arrangement with **UBC Parking**, that our resident's vehicles can also park in **UBC on street parking stalls south of Nobel Softball Field**.

Project Schedule:

- **Wednesday, Oct. 28:** Base repairs continue
- **Thursday, Oct. 29:** Paving top lift at [Birney Ave.](#) and [Gray Ave. + Ross Drive \(Between Gray and Birney\)](#)
- **Friday, Oct. 30, Weather Dependent:** Paving top lift at Ross Drive ([South of Birney](#)) & ([North of Birney](#))

The repaving project will temporarily affect access to and from the underground parking of the buildings in the vicinity, it is advised that residents in nearby areas plan ahead of the October 29 and 29 paving project accordingly.

There will be temporary road closures to and from specific underground parking for up to 3 hours on the following day:
